**MESSAGE FROM THE PRESIDENT  
OF THE  
UNIVERSITY OF THE VIRGIN ISLANDS**

For 60 years, employees of the University of the Virgin Islands have been the heart and soul of this special institution. Therefore, as we mark the 60th Anniversary of the University, we must also pause to mark the milestone so many of our dedicated staff, faculty and administrators have reached. We celebrate each one of them for all that they do each year to serve our students and this community.

Since March 2020, our employees have endured enormous challenges personally and professionally. Their lives have been altered in ways that none of us imagined a few years ago. Yet, the true story is not what they encountered but how they responded. The dedication, sacrifice and excellence demonstrated make me even more grateful for this community of stars. They shine when darkness emerges and surrounds us. They shine in the midnight hours of our budget, enrollment and health challenges. Today is a small opportunity to shine a little light on the stars that brighten our lives each day.

I wish many blessings for each person honored today and for the entire University. We are a special people and UVI is a special place. Our Service Awards programs are the best in the Territory and maybe the nation. I want to thank our Human Resources Department for making this occur each year. It is truly remarkable to hold this inspiring event in person.

May the joy I have in my heart for this day be spread and shared with each of you. Congratulations to all of our honorees and please join me in celebrating and recognizing these numerous stars who make UVI shine so brightly.

Sincerely and with Contagious Enthusiasm,

David Hall, SJD  
President
