

New COVID-19 Regulations for Students RETURN TO CAMPUS FALL 2022

Classes return to pre-pandemic levels of in-person classes for students.

Follow protocols to maintain a safe and healthy environment for all!

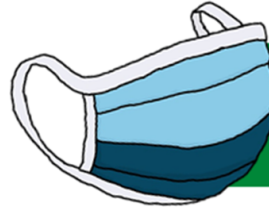

COVID-19 VACCINATION REQUIREMENT

- All **residence hall students** must be vaccinated to live on campus.
- All **Bachelor of Science in Nursing students** must be vaccinated in accordance with requirements to participate at clinical sites.
- Vaccinated students will also need to **test at the beginning of the semester** by UVI Health Services.

NON-VACCINATED STUDENTS

- Non-vaccinated students will need to **test at the beginning of the semester, and then monthly**, per the UVI testing schedule. All tests will be done free of charge on campus.

MASK REQUIREMENT

The university community is required to continue the use of face masks in classrooms and other closed settings.

SAFETY MEASURES in accordance with CDC Guidelines

- Please social distance as best as possible on campus.
- Stay up to date on vaccinations.
- Stay home when sick.
- Practice good hand hygiene and covering coughs and sneezes.
- Cleaning and disinfecting high touch surfaces and high traffic areas at least once a day to reduce risk of germs.
- Maintenance of ventilation systems to improve indoor air quality to reduce risk of germs.
