SATISFACTORY ACADEMIC PROGRESS POLICY

Federal regulations require that all schools participating in any Federal Financial Aid program must adhere to a financial aid Satisfactory Academic Progress (SAP) policy. These are the standards by which a student's progress toward the completion of his/her program of study at the University of the Virgin Islands (UVI) will be measured to determine continued eligibility for financial aid. At the end of each payment period/semester or prior to the actual receipt of financial aid funds, the records of all financial aid recipients will be reviewed to determine satisfactory academic progress. A student's financial aid SAP at UVI is classified in the following categories: "Good Standing", "Warning", and "Suspension". Maximum time frame allowances will also be reviewed at the end of each semester. SAP determination is based on a student's complete academic history, including periods in which the student did not receive financial aid.

SATISFACTORY ACADEMIC PROGRESS STANDARDS

PROGRESSION AND QUALITATIVE STANDARDS

Standards by which a student will be evaluated includes progress in increments of hours completed and minimum cumulative grade point average (GPA) illustrated in the chart below.

Undergraduate students

Table with 3 columns: Total Credits Attempted, Percent Rate for Minimum Credits Passed, Minimum Cumulative GPA. Rows include 12-29, 30-44, and 45 and above.

A student must be progressing toward graduation requirements by completing the courses for which he/she enrolls each semester (referred to as "pace") and must also meet the required percentage rate of attempted credit hours.

Graduate/Professional students must maintain a cumulative GPA of 3.0 on a scale of 4.0. Graduate students will be placed on academic warning if: (1) the cumulative GPA falls below 3.0, or (2) a grade of "F" is earned, or (3) more than two grades of "C" are earned in the program. Students must also complete at least 70% of all credits attempted.

MAXIMUM TIME FRAME

Undergraduate students: The maximum time frame allowed for students to complete a Bachelor's degree and remain eligible to receive financial aid is 180 credits (150% of 120) or 93 credits (150% of 62) for an Associate's degree program. Adjustments to the maximum credits hours would be made for programs that require more than the general standard credit requirements.

Graduate/Professional students: The maximum time frame for financial aid eligibility is 54 attempted credits.
