### MESSAGE FROM THE PRESIDENT OF THE UNIVERSITY OF THE VIRGIN ISLANDS

It is my distinct honor and privilege to welcome you to the 44th Annual Service Awards Ceremony! Congratulations to the dedicated, hard-working, resilient and committed members of the UVI family who are being recognized today. I also wish to acknowledge and thank our special guests who have joined us at this auspicious occasion where we pause to celebrate our valued employees.

In keeping with this year's celebratory theme of *"We've Risen & We're Gaining Steam – Service Awards 2018,"* I am so proud that we take time each year to honor and recognize our employees. I continue to be impressed with the enthusiasm and service with which I see so many of our employees provide to the University through the work that they do and the extent to which they so often go above and beyond the scope of their job responsibilities. UVI is a better place because of the service each of you provide to the institution.

One of the lessons learned from the two Category 5 hurricanes is the tenacity, resilience and loyalty of the people who work at the University of the Virgin Islands. I have always been proud of those who dedicate so much of their time and life to this University. Yet, it is in the midst of challenges and controversy that we truly discover the depth of an individual's character and values. The program this year has even greater significance because of what each employee who is recognized endured during this year. We are even more appreciative of their presence and years of service.

For those who are retiring, we are grateful that they chose to fulfill a major part of their professional dreams with UVI. We wish them much success as they move to the next stage of their lives. You have each left an indelible mark on the University. We owe you a deep debt of gratitude for sharing so many years of your life with us.

To Director Ron Meek and the staff within the Department of Human Resources, I applaud you for the hard work and thoughtfulness that have consistently gone into the planning of these employee recognition ceremonies. The care that you have taken to ensure that each employee being honored today feels special will undoubtedly result in fond memories for all.

Sincerely,

David Hall, SJD  
President
