

UNIVERSITY OF THE VIRGIN ISLANDS
BOARD OF TRUSTEES RESOLUTION

Purpose

1. To reconsider implementing the equalization of tuition rates paid by non-resident full-time and part-time students for the Fall 1992 semester;
2. To adopt a four (4) year plan for equalization of the rates.

WHEREAS, the Board has approved a rate differential of three (3) times the undergraduate resident rate for undergraduate non-resident students,

WHEREAS, this pricing policy has been in effect for non-resident full-time students for many years but not for non-resident part-time students.

WHEREAS, the Board adopted a rate structure on March 8, 1992 which made the pricing policy now in effect for full-time non-resident students also applicable to non-resident part-time students, and

WHEREAS, the Student Government is making the case that equalization of the rates paid by non-resident full-time and non-resident part-time students is a reasonable objective, but that the increase from \$50.00 per credit to \$150.00 in one year is excessive, and

WHEREAS a request is being made for implementation of the equalization policy on a progressive basis;

NOW, THEREFORE BE IT RESOLVED:

1. That the Board of Trustees of the University hereby authorizes and approves a four (4) year plan for the equalization of rates paid by non-resident full-time and non-resident part-time students as follows:

- Year 1: Set the non-resident part-time rate by applying a factor of 1.5 to the resident undergraduate rate.
- Year 2 Set the non-resident part-time rate by applying a factor of 2.0 to the resident undergraduate rate.

Year 3 Set the non-resident part-time rate by applying a factor of 2.5 to the resident undergraduate rate.

Year 4: Set the non-resident part-time rate by applying a factor of 3.0 to the resident undergraduate rate.

2. That the President is authorized to implement the rates as approved effective with the Fall semester of 1992.
